ANNOUNCING THE 1986

SALEM HAM FAIR

The Salem Ham Fair Committee is pleased to announce February 22, 1986, as the date for next years festivities. Planning has been underway since May, and continues at a rapid pace, 1986 should be the best one yet.

The location is the same as the last 3 years, the Polk County Fairgrounds, 10 miles west of Salem. It's easy to find from either Highway 99W or Interstate 5.

One of the most important aspects of any ham fair is the swap meet. Last year, we sold out all 65 swap tables, and had to turn a number of people away. With so much demand, we are expanding the swap table area this year, so there will be lots of opportunity to find those treasure you can't live without.

We are working on some interesting seminars, and in addition, have offered the use of the seminar rooms to a number of organizations like MARS and QCWA for meetings during the day. More on these as we get closer.
